PLEDGE OF ALLEGIANCE

AGENDA APPROVAL

The agenda was approved as presented by consensus of the Council.

1. **Public Comment**

Council Member Holmes announced that Loreley Hodkin, former City Historian, has her artwork up in the City Hall Gallery. He invited everyone to a reception this week to honor Loreley.

Raymond "Bud" Pisarek, resident of Auburn, spoke of problems he recently had with tenants on a property that he owns in Auburn. He said he would like the city to help expedite the eviction process in the future. He said he received a city citation and he was not happy with how the city official handled the situation.

PUBLIC HEARING

2. **General Plan Amendment – 2013-2021 Housing Element**

Senior Planner Reg Murray presented this item. He said the Housing Element is one of several mandatory chapters of the General Plan. He said it provides general guidance on housing issues in the city. He said the state requires regular updates to the Housing Element. He said the Housing Element was submitted to the California Department of Housing and Community Development (HCD) in October. In December, an approval letter from HCD was received indicating the Housing Element to be in compliance. He said the Planning Commission reviewed the Housing Element in January and did not suggest any modifications. He reviewed HCD deadlines for submittal to certify the Housing Element. He reviewed SB244 addressing disadvantaged unincorporated communities.

Council Member questions followed regarding (1) traditional and supportive housing revision, (2) single resident occupancy units, (3) regional center outreach for housing for families with disabilities, (4) quantified objectives/ affordable unit obligation of 308 units, (5) SB244's purpose, (6) Mercy Housing project, and (7) number of group homes in Auburn.

Council Member Holmes said this plan should be reviewed and updated more often to keep up with requirements.

Council Member Hanley said he is disappointed that the HCD pressures local cities to implement housing programs that they think are good public policy but are not mandates of the state.

Council Member Kirby agreed with Council Member Hanley and said Auburn can't be expected to come up with some of the solutions the state requires.

By **RESOLUTION**, adopt the Negative Declaration prepared for the update for the Auburn Housing Element and approve the General Plan Amendment for the 2013-2021 Housing Element.

The motion was made by Council Member Holmes and seconded by Council Member Kirby, and approved by the following roll call vote:

Ayes: Holmes, Kirby, Nesbitt, Powers

Noes: Hanley

Absent:
